

DAVID KNEUPPER

David Kneupper is an award-winning composer and sound designer for theme parks, museums, branded experiences and new media. Kneupper Music offers a turnkey solution for attraction sound, from concept and design to production and the onsite mix.

David has worked extensively with Universal Studios, the Walt Disney Company, Warner Bros, Six Flags and many others on attractions across the US, Europe and Asia. Eleven of these projects have been awarded the Themed Entertainment Association's *THEA Award for Outstanding Achievement*.

David is a member of the Academy of Motion Picture Arts and Sciences, the Motion Picture Sound Editors Guild, the Themed Entertainment Association and the International Association of Amusement Parks and Attractions.

He holds a Ph.D. in Fine Arts (composition) from Texas Tech University, and had his Carnegie Hall debut in 1993. He is published by Drop6 (ASCAP) and is a Distinguished Alumnus of Texas Tech University.
